

Co-op Connections Card Program Description

The COVID pandemic has hit our local businesses hard, reducing sales and even forcing some of them to shut their doors for good. We are encouraging our members to shop local with our Co-op Connections Card program and have re-issued cards to our 18,000 members. This card program will provide discounts and/or services from participating businesses along with pharmacy discounts at participating pharmacies. There is no sign-up fee for your business to participate, only the cost of the discount and/or service you provide.

Along with the local benefits, the Co-op Connections Card program benefits cooperative members by offering 10% to 60% savings on most prescriptions at over 48,000 independent pharmacies and national chains.

The advantages for participating businesses include free local and national advertising and having your business listed on our Tri-countyrec.com and Connections.coop websites and our monthly Penn Lines magazine. There are no monthly or yearly fees and the program only cost you something when a customer comes in and takes advantage of your offer.

The Co-op Connections Card was re-issued to 18,000 members in 2020. We want to make the card as valuable as possible but to do this we need your help. We need you to join the program which can be completed in three easy steps.

1. Decide on your offer.
2. Complete a Participating Business Contract sheet.
3. Return the contract to Bryan Berguson:

Fax: 570-662-2142,

Email: bryanb@ctenterprises.org, or

Mail to: Tri-County REC, PO BOX 526, Mansfield PA 16933

Offers are valid for one year and may be renewed, modified or cancelled at that time.
